

FAQs

Do I have to live in Barnet to be able to join Barnet u3a?

There is no geographical restriction on who can join Barnet u3a. However, as most of the members live in Barnet, group activities take place in member's home in Barnet or public venues in Barnet.

I'm joining part way through your membership year do I have to pay the full amount?

There is no reduction in the membership fee if you join part way through the membership year. However, if you wait and join after 1st September your membership would run until the end of 2027 so you would get 15 months membership for the price of 12 months membership.

I'm a full member of another u3a can I transfer my membership to Barnet u3a?

Unfortunately, this is not possible. However, if you remain a full member of that u3a you can join Barnet u3a at the reduced Associate member rate.

I posted my application a week ago and have not heard from you?

The post is collected from the Sorting Office in East Barnet every Friday so it could take 7-14 days from when you posted the form for you to receive your membership number and welcome pack.

Can I email my membership application form to you?

Yes, you can email the completed membership form to membership@barnetu3a.org.uk
